**Grayson Lake** • (3,119 acres)  
• Capacity 4-8 • Catch and consume

Located in the heart of Wabakimi Park is Grayson Lake. This lake is full of islands and bays with lots of moving water in and out. The lake is 7 miles long and 3,119 acres in size. Great walleye and northern pike fishing. Just pick a point.

89° 24' 49"  
50° 53' 22"

**Mojikit Channel (North)** • (60,000 acres)  
• Capacity 4-10 • Conservation

There is no doubt about it! The Channel offers some of the best walleye and trophy Northern fishing to be had anywhere in Canada. Walleye are noted for their above average size of 17-23" and Northern fishing seems endless in this 60,000 acre plus fishing paradise. The 'channel' joins Mojikit Lake to the Ogoki Reservoir and produces huge catches of fish. Best of all the channel is sheltered.

50° 46' 08"

**Pickett Lake/Clearbed Lake**  
• (2,000 acres approx.) • Capacity 2-6 • Private Lake • Catch and consume

Lots of walleye and great pike action. Pickett is a part of the Raymond River system and is fed by the mighty Ogoki River. Clearbed regularly produces lots of walleyes and many trophy Northerns. As an added bonus, enjoy 6 miles of river fishing as well.

88° 42' 39"  
50° 46' 37"

**Whiteclay Lake West** • (13,037 acres)  
West 2-12 • Conservation

Whiteclay is situated on the Ogoki River and is fed by several other rivers. This 13,037 acre lake boasts miles of sand beaches, bays and fabulous structure. Truly one of the areas best lakes and known for big Northerns and lots of Walleyes. For variety, fisherman love to stalk the spring lakere and battle the tenacious Sturgeon. There is a camp attendant here for a trouble free vacation.

88° 51' 32"  
50° 55' 11"

**Kathleen Lake** (1,550 acres approx.)  
• Capacity 2-6 • Private lake - Catch and consume

Headwaters for the Opichan River System. Kathleen is one of our best walleye lakes. One customer describes it as "unending walleye and big!" The lake is in the shape of an 'H' and is about 7 miles long.

87° 45' 02"  
50° 58' 10"

**Chipchase** (1,750 acres) • Capacity 2-6  
• Private lake • Catch and consume

Chipchases claim to fame is big walleye and lots of them. The lake is 3 miles long and easy to fish. This camp is wilderness luxury at it's best. The screened-in gazebo is perfect for happy hour. Newly constructed in 2006, the camp boasts separate bedrooms and almost 900 sq. ft. of living space.

88° 31' 58"  
51° 08' 14"

**Mojikit Channel (South)** • (60,000 acres plus)  
• Capacity 4-10 • Conservation

The south camp is located 1/2 mile from the north camp. Newly constructed in 2001, this camp reaches a new level in wilderness comfort and luxury. Come see why we call Mojikit Channel, 'The Fishing Factory'.

88° 10' 47"  
50° 44' 43"

**Scallop Lake** • (1,758 acres)  
• Capacity 2-6 • Private Lake • Conservation

Here is the perfect place for those who want to explore. Scallop Lake...Austen Lake...Lower Maddy & Maddy Lake form this great chain on the Raymond River. We put the boats and motors, as well as gas across short portages. Walleye and big Northerns are on the menu.

88° 49' 48"  
50° 43' 12"

**Whiteclay Lake North** • (13,037 acres)  
• North 4-10 • Conservation

Our North camp is located 5 miles from Whiteclay West. This private camp offers 2 cabins, 2 showers, screened-in porch and a screened-in fish cleaning house. Perfect for big groups. This is **paradise** found.

88° 52' 59"  
50° 57' 42"

**Poshowconk Lake** • (500 Acres)  
• Capacity 2-4 • Private Lake  
• Catch and consume

This is our diamond in the rough. For 'eco-minded' vacationers our little 500 acre paradise is absolutely beautiful. Good Walleye and Northern fishing and spectacular Brook Trout awaits in Linklater Creek.
